Ref: Fernandez v Gonzales
Civil Action 05-265 (SLR)

Dear Mr. Dalleo:

Would you please forward this letter to the court on my behalf.

I have been transferred to the Miami Field Division of the Drug Enforcement Administration. I will be reporting to the Miami Field Division on or about the first week of September 2005.

Plaintiff had previously filed a motion in order for the Court to respectfully consider the appointment of counsel. Due to my pending transfer, it would be of great assistance to the plaintiff to have counsel assigned. I am not sure if this matter could be transferred to the Southern District of Florida without causing harm to plaintiff's case. Thanks in advance for the Courts consideration.

Respectfully,

Francisco X. Fernandez
